

“Quick, friendly physician and prescriptions ready within an hour. I was happy I didn’t have to wait with other sick patients.”

- Tamitha G., MeMD Patient

Telehealth Services

Simple. Convenient. Affordable.

MeMD is an easy and trusted way to access board-certified medical providers on-demand for all your basic health and wellness needs online, by phone, or by app—24/7/365.

And best of all? **Visits are \$0 out-of-pocket!**

- › Diagnosis & treatment by licensed, board-certified medical providers
- › Prescriptions* can be picked-up locally
- › Eligible to access starting the 1st of the month

Telehealth service provider

Use MeMD when:

You're not feeling your best.

MeMD's medical team can diagnose common medical concerns and offer personalized care.

You need a short-term prescription.

MeMD providers can send new prescriptions and short-term refills to your pharmacy.*

It's the middle of the night.

Illness and injury often happen at inconvenient times, that's why we offer care 24/7/365.

You want to skip the waiting room.

It can be hard to get an appointment with your PCP; telehealth makes it easy to get care where you are.

We can help with:

**MEDICATION
REFILLS**

**COLD
& FLU**

**SINUS
ISSUES**

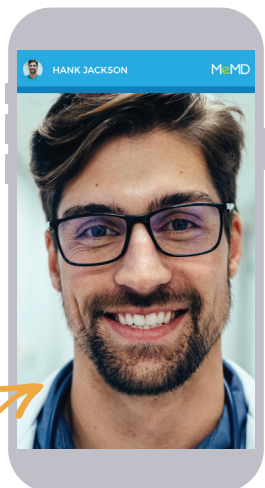

**RASHES &
SKIN ISSUES**

**AND
MORE!**

* MeMD provides online medical consultations with MDs, DOs, NPs, and PAs who can write prescriptions when medically necessary and permitted by state law.

Here's a look at some of the features patients love most:

Care you can trust.

Every healthcare provider on MeMD's team is credentialed, certified and highly trained – plus they love what they do.

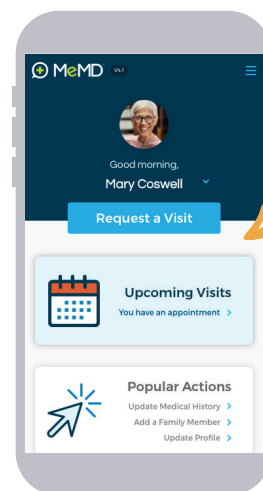

Get a diagnosis and prescription day or night.

Don't drag yourself to the ER or urgent care. Instead request a visit with a medical provider who can diagnose you and provide personalized treatment—including prescriptions.*

Everything in one place.

Our app makes it simple and secure to view your upcoming appointments, past visits, care instructions, medical history, and plan details, all in one place.

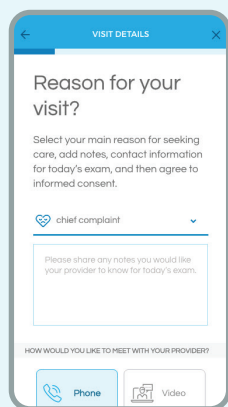

Speak with a real person
